

Pulpit Supply List and Recommended Compensation

COM recommends an honorarium for pulpit supply of \$125.00 and mileage reimbursement at the IRS approved rate. At the same time, COM recognizes the financial burden this can have on a church budget. Therefore, COM urges sessions to be sensitive to the traveling costs and do all they can to compensate fairly. It is advisable to agree to total compensation in advance.

The Committee on Ministry maintains and provides a list of teaching elders, commissioned ruling elders, and other qualified lay persons willing to supply vacant pulpits. Pastors and session seeking a person to preach and lead worship on a given day may contact any of the person on this pulpit supply list. Check your Presbytery directory or the Presbytery office for phone numbers and/or email addresses.
