Call for the Meeting May 1, 2021 (Saturday) VIRTUAL MEETING

The Presbytery of Plains and Peaks will gather VIRTUALLY for its stated meeting, beginning at **9:30 a.m.** on **Saturday, May 1, 2021**. As always, all ministers and ruling elder commissioners are expected to be in attendance to honor our covenantal obligations as leaders of God's people in this region.

The meeting will be done via Zoom. This will be different than the previous meetings and you will be able to see all of the participants. The meeting platform will open at 9:00 a.m. Please do not wait until the last minute to log on.

The reports may be found at www.plainsandpeaks.org under the "Presbytery Meeting Information" tab. Supplemental reports will be posted online by Wednesday, April 28, 2021. Commissioners are encouraged to reach out to the moderators of any committee with questions or clarification on any report or agenda item. Oftentimes, a simple question asked and answered in advance can save time on the floor of Presbytery and alert the moderators to the need for fuller explanation in their written and verbal reports.
