### Call for the Meeting October 24, 2020 (Saturday) VIRTUAL MEETING

The Presbytery of Plains and Peaks will gather VIRTUALLY for a stated meeting, beginning at **9:00 a.m.** on **Saturday, October 24, 2020**. As always, all ministers and ruling elder commissioners are expected to be in attendance to honor our covenantal obligations as leaders of God's people in this region.

Training for using the VIRTUAL meeting software will be held **Friday, October 23 at 9:00 a.m.** Presbytery staff strongly encourages ALL commissioners to attend this training. It is their hope to use the practice run to make sure that the Presbytery meeting can go as smooth as possible.

The reports may be found at [www.plainsandpeaks.org](http://www.plainsandpeaks.org) under the "Presbytery Meeting Information" tab. Supplemental reports will be posted online by Wednesday, October 21, 2020. Commissioners are encouraged to reach out to the moderators of any committee with questions or clarification on any report or agenda item. Oftentimes, a simple question asked and answered in advance can save time on the floor of Presbytery and alert the moderators to the need for fuller explanation in their written and verbal reports.

Registration will be done a little differently for this meeting. Please respond to the email notification you received about reports, stating that you will or will not be attending this meeting. Once we know that you will be attending the practice and/or the meeting, you will be sent an email asking you to register for the virtual practice and/or meeting. Once you have registered, you will receive an email with the link and a password (that is unique to you). You will receive separate links for the practice and the Presbytery meeting.

Included in the reports online will also be instructions for the meeting. These are to be used as helpful information on how the meeting will be ran.
